

Southern Utah Manufacturing Association

\$1000

SUU Scholarship

To be awarded for Fall Semester 2015

Intent: To encourage and bring awareness of career opportunities for students in manufacturing.

Eligibility: Students in the College of Science and Engineering at SUU studying science, engineering or a technical field.

Preference will be given to students with:

- GPA of 3.0 or higher
- Junior or Senior students making substantial progress toward graduation
- Students with an existing connection to SUMA member companies

To apply submit:

- Resume
- A one page essay explaining any connection or ambition toward work in a manufacturing field, financial need and current progress in school.
- Unofficial transcript (from Registrar's office)
- Send applications to:

Kristie McMullin
SUMA Secretary/Treasurer/President Elect
kmcmullin@gaf.com

Application Deadline: February 1, 2015

Application material will be collected by SUMA officers. Evaluation of candidates will be completed by an unbiased panel from the SUU College of Science and Engineering.
